

Card Patterns

Goal: Figure out the patterns with the cards!

You will need:

- Deck of cards
 - Ace card
 - One set of number cards, 2 through 10

How to play:

- Organize the cards so you can deal the cards in order from ace through ten.
- Stack the cards in order, put the ace card down then put the next card at the back of the stack
- Then put the two card down
- Then repeat; put the next card at the back of the deck and put the three card down.
- Keep trying until you've figure out the pattern for cards ace through 10!
